

Dear Parents,

Welcome back everyone!

This term will be full of changes, we once again welcome you into our setting. As per my last letter to you all, you will be invited to bring your child in to the setting in the morning for drop off. Please hang up your child's coat on the hooks, use the hand sanitizer on the wall before entering the main hall. Once in the hall please help your child self-register by posting their name in the post box on the table to the right as you enter. Then settle your child at an activity or with a staff member. Please note that we ask you to go by 09.40 so that our day can start promptly. At 12.30 the doors will open as normal, and you will be allowed to enter the building. Please wait at the top of the stairs and your child will be brought out to you. Please do not linger on the stairs as other parents will be waiting to collect their child. We are still dealing with COVID-19, we appreciate your help and support through the coming weeks. We would like all parents to wear a face covering while in the building. If you or your child are displaying any symptoms, please let a member of staff know or email me.
