

**Dear Parents,**

Welcome back, we hope you all had a lovely Easter break? This is going to be a very busy term as it is the last term of the year. There are lots of dates for your diaries to add to your calendar, so please put them in.

We are still dealing with COVID-19 and would like to remind you all that we are still social distancing. With that in mind may I remind you to wait outside at 2 metres apart and not to linger after the children have entered the building. I will keep you all updated on any new developments from the government.

**General Information/Reminders**

**Leavers**

I am sure some of you will have heard which new school your child will be attending from September 2021. I will be outside every day our first week back to ask where your child will be going. Transition forms will be completed and sent to your child's new school.

If you are staying on with us, you do not have to do anything. If you require extra days from September, please let me know while I am outside.

**Labels**

Please make sure your child's jumpers, coats, lunch boxes are clearly labelled. (Label should be on the outside of the lunch box.) We provide water or milk for the children.

**Weather**

As you know we do go outside daily, so with that in mind, please dress your child accordingly. With the great British weather anything can happen! As the weather gets brighter please make sure that your child has a hat, sun cream (applied at home) and a jacket at school every day.

**Coffee morning**

This again will be via telephone. You will be allocated a time slot with your key person. Letter will come out closer to the time.

**Book and letter of the week**

Below is this half term's list of books and letters of the week. Please encourage your child at home to find things beginning with the letters of the week. Feel free to add this information on to Tapestry. We love to see the photos of what they do at home.
