**Extra days**

Can I also ask that if your child has had a fall/accident at home, that you let a member of staff know?

Please remember that we have an 'open door' policy and should you need to speak with either myself or your key person, we will make ourselves available to you.

For minor information sharing such as informing us of a change of pick up person please inform the staff member on the door, the person collecting will need to be aware of your password.
